OF INCREASE OF RATES)	

O R D E R

IT IS ORDERED that Tree-Line Estates Sewer System ("Tree-Line") and Baldwin United Mortgage Company owner of Treasure Island East Sewer System ("Treasure Island") shall file an original and seven copies of the following information with the Commission with a copy to all parties of record by February 29, 1984. If neither the requested information nor a motion for an extension of time is filed by the stated date, the case may be dismissed.

1. In a response to an information request received January 24, 1984, it is shown in Item 11 that revenue from the three commercial customers totaled \$6,540 during the test year. The application shows that Tree-Line presently serves

105 single family customers at a rate of \$11.00 per month or \$13,860 annually. This results in total revenue of \$20,400 that would have been collected during the test year. The income statement shows operating revenues of \$14,418. Please explain this discrepancy.

Done at Frankfort, Kentucky, this 10th day of February,
1984.
